The Secretary to the Board,

Land Revenue & Settlement,

Madras.

S i r,

Alienation--Land and Revenue--Udipi Taluk- Puttur village--agricultural settlement--change in notation and extent--sanction requested.

Ref:- G. C. No. 752 Revenue dated 16th April 1930 communicated with B.P. 1261 Mis. Land Revenue & Settlement dated 25th April 1930.

In the order quoted above, Government sanctioned the alienation of an extent of 18.73 acres of land comprised in the survey numbers noted below in Puttur village, Udipi Taluk, to the Depressed Classes Mission, Mangalore, for [illegible] agricultural settlement for the Depressed Classes.

		A.	C.
S. No.	227/1 ..	13.	94
"	227/3	1.	02
"	228/3 ..	4.	77
		18.	73

At the scrutiny of the Sub division records by the Inspecting Tahsildar, the area of 227/1 was reduced by 3 cents and that of 227/3 raised by 6 cents. Thus the total extent alienated was raised to 18.76 acres. This difference is due to the adjustment of actual area to the registered area.

2. After sub dividing S. Nos. 227 and 228 for purposes of alienation, an extent of 75 cents comprised in S. 227/3 (80 cents)

2

and 228/2 (26 cents) was set apart for a public path. In my letter Ref. B3 2644.33 dated 3rd July 1933. I referred to a school building under construction on the land alienated to the Mission. As the path interferes with the building, a realignment of the path is necessary. This has now been done in consultation with the Secretary of the Mission. The total extent of the proposed path has been reduced from 85 to 69 cents and will comprise S. Nos. 227/2B (29 cents 227/3A (16 cents), 228/2B (12 cents) and 228/3A (12 cents).

3. The realignment of the path necessitates a revision in the notation and extent of the plots alienated to the Mission. The revised notation of the plots and the extent of each is given below:-

		A	C.
S. No. 227/1	...	2	91
" 227/2A	...	0	30
" 227/3B	...	0	92
" 228/2A	...	0	14
" 228/3B	...	4	60
		8.	92

There is no variation in the total extent (19 acres 61 cents) of land alienated and reserved for the path. The extent of the path is however reduced by 16 cents and this is to be added to the extent alienated. As there is a change in the notation of the lands alienated and an increase in their extent, I request that Government sanction may be obtained for the changes.

Your obedient servant,

Collector.
